

## Jabatan Bomba dan Penyelamat Negeri Perak

Jalan Kompleks Sukan  
31400 Ipoh

Perak Darul Ridzuan

### Keynote Speaker

**Dato' Wan Mohd Nor Bin Hj. Ibrahim MIFireE  
Fire and Rescue Department Malaysia**

Dato' Wan Mohd Nor Bin Hj. Ibrahim has been the Director General of Fire & Rescue Department Malaysia since 2010. He graduated with B. Sc. from Universiti Kebangsaan Malaysia and M. Sc. from Universiti of Putra Malaysia. In 1997, he was trained at Fire Service College UK completing the Brigade Command Course. His vision is to turn the Fire & Rescue Department Malaysia into a world class fire rescue service in land, sea and air fire fighting and search & rescue operations. On top of his official duty as head of the FRDM, he is also actively involved in professional associations; He holds the presidency in The Institution of Fire Engineers (UK) Malaysia Branch (IFEM) for 2009/2011 and past president of The Institution of Master in Disaster and Emergency Management Malaysia (IMDEMM).

### Speakers

**Mad Ali Bin Hj Bahudin (FRDM)**

Penolong Pesuruhjaya Bomba Mad Ali Bin Hj Bahudin telah berkhidmat selama 34 tahun bermula tahun 1977 di JBPM. Pernah bertugas di Bahagian Pencegahan Kebakaran selama 7 tahun, 7 tahun di Bahagian Latihan, 7 tahun di Bahagian Operasi Kebombaan, 9 tahun di Bahagian Penguatkuasa, dan 3 tahun seconded di Jabatan Penerbangan Awam, Malaysia dan sekarang bertugas di Bahagian Keselamatan Kebakaran, JBPM sebagai Ketua Cawangan Perakuan Bomba. Telah menghadiri banyak kursus termasuk kursus di luar negara iaitu:

- Management Study** under 'Friendship Program' Tokyo Fire Service anjuran Kerajaan Jepun – JICA (1989).
- HAZMAT Course** di Fire Services College, Morton-in March, United Kingdom (1993).
- Advance Fire Investigation Course** di All American Environmental Services, Inc Columbia, Maryland, USA pada tahun 2002.
- Fire Command and Management Study** di Fire Services College, Morton-in March United Kingdom pada tahun 2003
- Fire Safety 2-Scientific** Fire Services, Melbourne, Australia tahun 2004

**Ar Chee Soo Teng (PAM) B Arch (Strathclyde)**

**Professional Affiliations**

MIFireE, Deputy President of IFE Malaysia Branch, Registered with LAM, Fellow PAM, MMIArb.

**Professional Practice**

Senior Partner of ARC PARTNERSHIP, started in 1990, a medium sized practice with 6 partners and employing 40 staff carrying out commissions from master planning to architecture designs ranging from corporate offices to mass housing in Malaysia and Vietnam.

**Publications**

Guide to Fire Protection in Malaysia, the Pam 2006 Standard Forms of Building Contracts, Handbook For PAM Contract 2006.

**Seminars**

Regularly lectures and runs seminars for the IFE Malaysia Branch as well as the Institute and Board of Architects Malaysia.

**Ir Wong See Foong (ACEM)**

Ir Wong See Foong graduated with a degree in Mechanical Engineering from the University of Malaya in 1974 and has been involved in fire safety engineering over the past 30 years. He is a professional engineer registered with the Board of Engineers, Malaysia and is presently a partner in MEP Engineering Sdn Bhd, an engineering consultancy firm. Ir Wong is a Fellow of the Institution of Engineers Malaysia and also a Fellow of the Institution of Fire Engineers (U.K.), Malaysian Branch. He is the Immediate Past President of the Institution of Fire Engineers (U.K.) Malaysia Branch. His contributions include Technical Committee under the Industrial Standards Committee (M) for the drafting of Malaysian standards for fire fighting systems and equipment. Recently he also assisted the Fire and Rescue Department in drafting the proposed amendments to the Uniform Building By-laws, 1984.

**Engr. Tay Hao Giang (IFEM)**

Engineer Tay Hao Giang is a very experienced and qualified Fire Safety Engineer. He graduated from Heriot-Watt University Edinburgh with Bachelor of Science Degree in Honours. He is also a graduate of University of Edinburgh UK, with Master of Science Degree in Fire Safety Engineering. He is the current International President and a member of the Board of Director of IFE. As the principal consultant of Fire Safety Engineering Sdn Bhd, he has over 33 years of experience in active and passive fire protection design concept as well as system operations. As chairman of Technical Committee for Fire Properties of Building Materials, he and his TC members are developing a series of Malaysian Standards for Fire Resistant Doorsets cum Ironmongery. He is also involved in deliberation of BS 9999 as passive fire safety design code for evacuation incorporating provisions for disabled. He co-authors the technical reference book "Guide to Fire Protection in Malaysia". Over the years, he has been invited as speaker to conferences in Malaysia, America, Australia, Hong Kong, Singapore, Philippines, Taiwan, United Kingdom and India.

# SEMINAR ON FIRE SAFETY ENGINEERING DESIGN

Date : 29 November 2011 ( Tuesday )

Time : 8.30am – 5.00pm

Venue : Syuen Ballroom, Level 2  
Syuen Hotel Ipoh

Jointly organized by:

## Objective

There have been many changes in the construction industry and approval process by the Government agencies. The introduction of Certificate of Compliance and Completion (CCC) brings about the one stop approving center concept where shorter processing time is expected to improve the efficiency of Government Agencies. Consequently, authorities and professionals will need to adapt to these new changes while maintaining their integrity and professionalism at the same time.

This seminar will provide an overall view to the future direction of Fire and Rescue Department Malaysia; addressing issues at hand for the professional submitting person; addressing fire safety issues for building owners under Fire Certificate (Fire Regulation) and also fire safety concepts and designs for those involved in design, construction as well as implementation of Building By-laws and Malaysian Standards in the fire safety industry.

## Target Audience

Fire Officers, Architects, Engineers, Developers, Contractors, Building Owners, Factory Owners, High-rise and Shopping Complex Owners, Fire Contractors.

## Registration Fees

Members (FRDM officer, IFEM, ACEM, IEM & PAM) RM 300.00  
Non-member RM 350.00

(Registration fees cover seminar proceeding, tea and lunch)

Registration fees must be paid in advance by crossed cheque issued to 'PERSKEB'. Fees will not be refunded for any cancellation. However, substitution of participant can be arranged by informing the organizer one week before the seminar.

Registration is on first come first serve basis. Registration form submitted without the appropriate fees will not be processed.
